MEMORANDUM FOR THE RECORD

25X9A5

SUBJECT: Discussion as a result of [REDACTED] report

25X1A9a

PRESENT: [REDACTED]

25X9A5

1. On 25 November at the above mentioned meeting, it was decided that, as a result of [REDACTED] report, the following would be furnished by SAC:

- a. All transportation
- b. Support aircraft
- c. Base support.

2. Except that:

- a. The Project T/O should be modified to include personnel for the maintenance of ground powered equipment. MA-1, MA-2
- b. The Project T/O should include a larger number of supply personnel for Base A. (Note that Base A will operate out of 30-day fly-away kits.)
- c. Two Project-owned T-33's will require 3 mechanics for daily maintenance.
